

The Senate Victory Fund has been filing quarterly. Because we anticipate making contributions to Candidates with various primary and general election dates, we will be changing to monthly filing of our reports. In order to have a clean break, we will file the Quarterly report covering January 1, 2006 to March 31, 2006 at the regular quarterly due date and will begin filing monthly with the period April 1, 2006 to April 30, 2006
